Carrington West at Schilling Farms offers 125 boutique apartments in Schilling Farms, the prestigious master planned community in Collierville, TN. Located near the heart of the town, Schilling Farms features convenient amenities, shops, restaurants, and offices all within a walkable neighborhood. The uniquely designed apartment buildings feature enclosed breezeways and generous, historically-inspired detailing for an upscale experience. The community features 1, 2, and 3 bedroom flats in addition to 3 bedroom townhomes. With modern, open floor plans, the apartments feature designer kitchens, walk-in closets, and oversized bedrooms. Fleming Architects worked closely with the developer and contractor to ensure the vision and details were executed within the project budget and timeline, ensuring a successful and striking project.
