Fleming Architects has a long-standing relationship with Chickasaw Country Club, partnering for many years to help improve and update their facilities. The most recent project was renovations of The Fitness, Tennis and Pool Complex. The updated fitness Complex includes an exercise room with weight machines, cardio-fitness machines, an office, restrooms and a Tennis Pro-Shop.

“Fleming Architects talented design team completed the job on time and under budget. I look forward to working with them on many projects in the future.”
